Subscription fees in 2021

Prices are all-inclusive. If you pay after 1 January and before 1 March 2021, you will receive a discount of € 5,00. PLEASE always state the code of your preferred subscription with the payment. A subscription to Basteria does no longer automatically include Spirula (as was the case until some years ago). If you want to receive both journals, please subscribe for Spirula+Basteria.

Subscriptions are continued automatically. If you wish to cancel or to change the preferred subscription (the journals you receive), please send a message before 1 January, 2021 to the membership administration, e-mail ledenadmin@spirula.nl.

We do not send invoices. Please arrange your payment preferably via bank:

IBAN NL69INGB0000288032; BIC/SWIFT: INGBNL2A; in the name of Nederlandse Malacologische Vereniging. The bank is named ING Bank and it is located in Amsterdam, The Netherlands.

Payment through PayPal is also possible, though not preferred. Please use the e-mail address: penningmeesternmv@gmail.com. Please add 4% for the cost of PayPal charged to us.

Payment by credit card is no longer possible. We do not accept cheques.
